Prerequisite (Not required but recommended): [Little League Umpire Training Course](#)

This is not your typical umpire training. The Saturday session will provide “basic” umpiring training/skills to LL Baseball/Softball volunteers to help increase the willingness and confidence to umpire regular season games in their league and district. The instruction will be guided by District Umpiring Training teams. The goal of Saturday’s session(s) are not designed to prepare volunteers to be eligible for tournament games. However, all volunteers (new, experienced, advanced) are more than welcome.

The agenda will consist of classroom discussions and field mechanics in the gym(s). Most, if not all, sessions will be indoors so wear appropriate clothing. Soft soled shoes (i.e. tennis shoes) are required for activities in the gym.
